Important Notes:

- This checklist is to be used as a guide only.
- For further advice on ensuring that your pool is fully compliant with the legislation you should contact your local council.
- Your local council can also inspect your pool and issue a compliance certificate if your pool is compliant with the legislation. A fee of no more than \$70 may be charged for this service.
- Pool barrier requirements apply to inground, aboveground and other portable pools capable of being filled with water to a depth of 300mm or more.
- There is no substitute for constant adult supervision of children in and around swimming pools to prevent drownings and other accidents.
