FOR IMMEDIATE RELEASE

# PUBLIC NOTICE

## SEWER MAIN WORKS - CONDOBOLIN

Council advises there will be sewer main maintenance and repairs undertaken between Friday 20 April 2018 and Sunday 6 May 2018.

Interflow Pty Ltd has been contracted to undertake this work which will extend the life of the sewer system.

Activities associated with this work will include:

- closed circuit television (CCTV) inspection of the main sewer pipes,
- high pressure water jetting,
- installation of structural liners
- sealing of lateral connections

Residents are advised that they may experience an increase in noise, vehicle movements and odours while work is being carried out. However, every effort will be made to minimise these impacts.

Residents are advised to leave your toilet lids down while cleaning works are being completed.

**Interflow will not need to enter your house, nor are residents required to be home while this work is carried out.**

**However, Interflow may need to access your property if a manhole is located in your property.**

Areas that may be affected are the blocks made up of:

- Boona Street, Hughes Street, Cunningham Street and McDonnell Street;
- Brady Street, Hall Street and Leifermann Street
- Turner Street, Wattle Street, McGregor Street and Officers Parade
- Marsden Lane area
- Stenhouse Street area
