Dear Sir/Madam

Re: Notification of Intention to Lodge an Application for Special Variation to General Income – Section 508A of the Local Government Act 1993

In accordance with the Guidelines for the preparation of an Application for Special Variation to General Income, please be advised that Council intends to lodge an Application under Section 508A of the Local Government Act 1993.

The amount sought will be a permanent 5% per annum above the rate pegging limit in each year for the four years 2016-2017 to 2019-2020.

The purpose of the increase is to maintain assets and service levels to a satisfactory standard, address the infrastructure backlog and ensure future financial sustainability.

Council's principal contact is John Chapman, Chief Financial Officer, telephone (02) 6895 1910, email john.chapman@lachlan.nsw.gov.au.

As you may be aware Council has undertaken two independent community surveys in recent months seeking and receiving support for the rate increase. Council will continue with its community consultation process into late January 2016 when the results of the community engagement process will be reviewed and this may result in minor variations to the proposal as outlined above. A formal SRV application will be made at that time.

Should you require any further details please do not hesitate to contact me on (02) 6895 1901.

Yours sincerely,

Robert Hunt
General Manager
